

Want to understand what The Dermal Clinic can do for your skin?

Here is a description of the things that we are offering right now at the Dermal Clinic!

Sarah J. Simpson
Skin Care Therapist

Face Mapping:

Diagnosis, treatment, recovery, prevention - trained Dermalogica Therapists analyze your skin from forehead to collarbone, identifying potential problems, unique needs and how to treat them professionally.

Nakita Lowe
Skin Care Therapist

Skin Bar:

Let our products meet your skin at the Skin Bar. Request your FaceMapping analysis and then try out your Dermalogica favourites right then! We'll give you plenty of steam towels, your recommended products and any advice you need!

Misty Cartwright
Skin Care Therapist

Dermalogica Face Treatments:

Target your most pressing skin concerns and improve the health of your skin with a professional face treatment. Through your FaceMapping zone-by-zone skin analysis, we'll create a treatment that's customized to meet the needs of your skin, and using Dermalogica professional products, we'll deliver healthier skin with a fresh appearance.

Tracie Green
Body Treatment Therapist

Thermal Body Therapy

Treatments:

Through the various benefits of heat and the touch, you'll experience a results orientated body treatment like never before. Every Dermalogica body treatment is customized for your skin condition, designed to target your skin's most pressing concerns while delivery an amazing sensory experience.

MicroZone Treatments:

20-Minute skin fix that gets you in, gets skin repaired and gets you out the door in a snap! Choose from Flash Exfoliation (great for shaping up before events), extractions, spot clearing, and eye revitalization (perfect after long travels). That means no changing out of your clothes, no fuss and big results! Plus you don't need an appointment - just walk in when you have 20 minutes!
