## ROADUser INSURANCE

Whether you own a car, van, bus, truck or bike, our featured-loaded vehicle insurance is something to love.

Ask around... you'll discover no other insurance provider has a better bundle.

First among the features is our reputation for efficient service... such as expedited claims processing to get you back on the road fast.

When your car is undrivable, you'll love our Loss of Use Benefit.

And if your new vehicle is a shambles there's nothing better than our New Vehicle Replacement (for vehicles less than a year old).

Then, if you want to protect your discount we offer a "No Claim Discount Protection" option.

Besides all this, ROADUser gives you Personal Accident Benefit and enhanced Windscreen Damage Cover.

Yet all this may not cost a penny more – and there's a good chance you'll save. Ask about our low deductibles and our competitive rates.
